A black and white photograph of a woman with long blonde hair, smiling and holding a small bottle of perfume. She is wearing a dark, patterned dress. The background is slightly blurred.

Nước hoa là hình ảnh rõ ràng nhất của kỷ niệm  
Perfume is the most intense form of memory.  
Jean Paul Guerlain

A woman with dark, wavy hair and bright red lips is shown from the chest up. She is wearing a light-colored, patterned blouse. Her right hand holds a small, dark perfume bottle with a curved black leather strap attached. She is looking down at the bottle. The background is a warm, golden-yellow color.

Nước hoa của một cô gái cho người ta biết con người cô ấy rõ ràng hơn là nét chữ  
A women's perfume tells more about her than her handwriting.

Christian Dior

Các quý cô à,

người đàn ông sẽ không bao giờ nhớ túi xách của bạn,  
nhưng anh ta sẽ nhớ hương nước hoa của bạn.

Ladies, a man will never remember your handbag,  
but he will remember perfume.

"Người phụ nữ không dùng nước hoa thì không có tương lai."

“Tôi nên sử dụng nước hoa ở phán nào trên cơ thể?”, một người phụ nữ hỏi. Coco trả lời: “Bất cứ nơi nào bạn muốn được hôn.”
